Important Information

Please be aware of the following important KU policies that will be strictly applied.

Trials & Discounts

To book a **trial lesson**, registration is required before your child attends the class.

Please book a trial either via info@kidsunlimited.com.au or call 1300 424 377 (subject to availability).

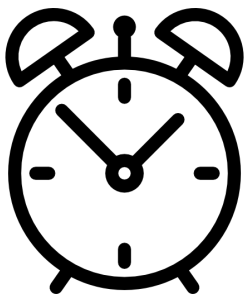

Discount for multiple enrolments is available to parents in schools running **2 or more different subjects** in the same term.

Make-up Classes

If your child misses **up to 3 classes** during a term, **make-up classes** can be booked in one of our Learning Centres during the same term.

To book a makeup class, please contact info@kidsunlimited.com.au or call 1300 424 377 (subject to availability).

Late Pick Up Charge

It is expected that every child participating in a Kids Unlimited **after school** program will be picked up on time.

A late pick-up fee of \$20 per 15 minutes or part thereof, per child, applies after the service finishing time.

Three late collections will incur a full hour late fee of \$80 from the first 15 minutes. Kids Unlimited have the right to suspend the child from attending the program.

Student Behaviour Management Policy

Kids Unlimited strongly believes that every child in our care has the right to feel safe and happy. To enable this, we have an expectation that all students behave appropriately during their time in our programs.

If a child chooses not to behave appropriately, the following steps will take place:

1. **Verbal warning:** The student is given a verbal warning. They may be removed from the activity (not the classroom).
2. **Observation of behaviour:** Coach requests support from KU management to come and observe the class and behaviour.
